DESTINATION GPCI

Monday, February 27
6:00-7:30 | IN-PERSON

Our goal is to give scholars in grades 6-12 access to courses in advanced academics, dual credit, CTE (Career and Technical Education), and Advanced Placement with the intent that scholars will complete high school with significant college credits. The college credits earned are through an accredited college partner: two-year community college and/or four-year university.

PRE-REGISTER HERE:

# GRAND PRAIRIE COLLEGIATE INSTITUTE PATHWAYS

BIOMEDICAL SCIENCE

PLTW Biomedical Science applies real-world issues by exploring topics like disease, DNA analysis, prosthetic design, and public health, Students gain experience with state-of-the-art tools and techniques that are used by professionals in hospitals and labs every day.

ENGINEERING

PLTW Engineering encourages students to adopt a problem-solving mindset, engaging them in compelling, real-world challenges that help them become better collaborators and thinkers.

COMPUTER SCIENCE

PLTW Computer Science empowers students to become creators, instead of merely consumers, of the technology around them.

Big dreams happen here!
