# ***SAFETY AND SECURITY***

***DO NOT PROP OPEN DOORS ANYWHERE ON CAMPUS.***

***NEVER OPEN A DOOR FOR ANYONE, THAT INCLUDES STUDENTS. NOTIFY CAMPUS ADMINISTRATION AND WE WILL INTERVENE.***

***IF YOU SEE ANYTHING SUSPICIOUS USE OUR STOP-IT SYSTEM FOR REPORTING ISSUES. DOWNLOAD THE APP ON YOUR PHONE.***

## **STOPIT REPORTING**

Grand Prairie ISD uses STOPit, an online and app-based reporting system, for students and parents to anonymously report concerns about school violence, threats, bullying, and self-injury to school administrators.

STOPit is on every student's iPad from grade 6-12 and can be downloaded to the personal devices of all students (PK-12 grade) and parents. Additionally, any student or parent can make a report through the STOPit website.

# ***SAFETY AND SECURITY***

Enter Access Code (GPISD 100):

The image shows the main screen of the STOPit app. At the top is the STOPit logo. Below it, the text "Anonymous Reporting System" is centered. Underneath that is the instruction "Select Your Organization". There are two white input fields: the first contains the placeholder text "Search For Your Organization", and the second contains the text "Enter or Scan Access Code". The word "OR" is centered between these two fields. The background is a dark purple with a faint, repeating pattern of the word "STOPit".

This image shows the same STOPit app interface as the previous one, but with the access code entered. At the top, the status bar shows the time "8:59", a link to the "App Store", and signal/battery icons. Below the status bar is a "< Back" link. The STOPit logo and "Anonymous Reporting System" text are present. The first input field now contains the text "GPISD100". Below it is a white "SUBMIT" button. The background pattern remains the same.
