Summer Reading Challenge

Come to the library between June 8th and August 2nd to get registered. It's FREE! Sign up for the Summer Reading Challenge and receive a reading log to get you started. Open to all children 12 and under.

(Teens and Adults: Ask about our programs designed for you!)

Title Challenge or Time Challenge

We have two different ways to participate. If someone else reads to you, or if you only read short picture books, ask for a "Title log." You will earn prizes throughout the summer based on the number of books you read or have read to you. Books read in storytime or at daycare may be counted on this log.

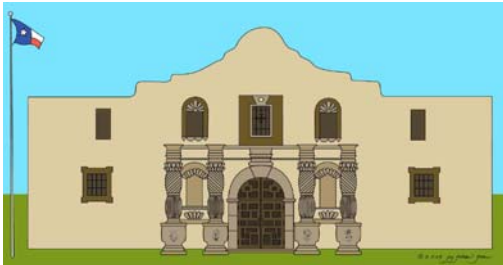

If you like to read long books, magazines, or newspapers, then you will probably want to pick up a "Time log." You will earn prizes based on the amount of time you read. Audiobooks may be counted on either log.

Join us for FREE entertainment all summer long!

All programs and movies are presented free of charge. Number of participants and age level may be limited in some programs; otherwise, seating will be available on a first-come basis.

Daycares and large groups should call ahead to see if they can be accommodated.

Note: All programs subject to change.
